

NOTICE TO EMPLOYEES

Remember - It is Important to Tell Your Employer About Your Injury

Our employer has obtained Workers' Compensation Insurance Coverage through Liberty Mutual Insurance Company. In the event of a work-related injury, your reasonable, necessary and related medical and surgical expenses including medicine, supplies, orthopedic appliances and prostheses including training in their use, will be paid. According to the Pennsylvania Workers' Compensation Act, if you suffer a work-related injury, you must treat with one of the following health care providers to insure payment of your medical expenses.
