## **THERE'S NO BETTER AMBASSADOR THAN YOU!**

Take the time to represent your alma mater in a very special way, become a member of the USP STAR program.

### ★★★ What does STAR stand for and how did it start?

STAR stands for Support Team of Alumni Representatives. The STAR program began as a result of enthusiastic alumni who wanted to spread the word about their alma mater. It has grown substantially in recent years and we would like to see this program continue to blossom!

### ★★★ What is the STAR program?

The STAR Program gives alumni the opportunity to spread the word about USP. STARs can promote USP in a variety of ways; the most popular is attending a college fair near you. Our alumni volunteers help personalize the admissions experience by promoting the University and informing prospective students about the advantages of a USP education as well as other pertinent information.

### ★★★ Who can become a USP STAR?

Any alumni can be a STAR! We want alumni who are willing to share their positive experiences at USP by personally reaching out to prospect students. By making this effort, STARs help to shape the future of USP.

### ★★★ What are the benefits?

The STAR program allows alumni to give back to their alma mater in a way that is extremely fulfilling. There really is no better gift, than the gift of your time and USP is extremely grateful to those who offer. There is no pressure; you can choose the activities that are of interest to you.

### ★★★ How do I get involved?

If you are interested in becoming a STAR please email [STARs@usp.edu](mailto:STARs@usp.edu) for more information.
